

Vacancy Announcement

Environmental Engineer GS-0819-14

Click here for [Federal Employment Pay Tables](#)

Announcement Number: NW0819

Date Opens: NOW

Date Closes: 11 January 2004

Location: Headquarters, Naval Facilities Engineering Command

Area Of Consideration: Department of Defense

About Us: The Naval Facilities Engineering Command (NAVFAC) manages the planning, design and construction of shore facilities for U.S. Navy activities around the world. We provide the Navy's forces with the operating, support and training bases they need when they are home...from the sea. The incumbent of this position is a program manager in the Environmental Compliance Division, within the Environmental Department, and specifically manages the Water Program.

About the Job: The incumbent of this position is required to be registered as a professional engineer providing objective evidence to agency management and the public. The incumbent frequently discusses, and must make decisions relating to technical and engineering details of work in the field, which affects the designs of major structures, systems and facilities involving public safety with other responsible registered professional engineers in the field. The incumbent is responsible for engineering determinations concerning contract awards to be performed by engineers in the private sector. Duties of this position include, but are not limited to reviewing environmental regulations and legislation and works with higher headquarters and the field to understand their needs and develop policy and a viable program that leans forward to NAVFAC's customers to meet their expectations; develops overall program plans; responsible for evaluations on new environmental technologies and techniques; serves as the program manager for execution of the Water program; represents the Navy at program management, policy and technical meetings with other organizations such as Army, Air Force, DoD, DLA, CMC, EPA, USCG NASA and professional societies, chairs the Clean Water Act Services Steering Committee.
